

Arkansas HOSA Competitive Events 2025

Any event with a 2nd round skill will require testing at their schools via a proctor that is NOT the HOSA advisor or Health Science teacher during the testing window Jan 27 - 31. These exams will be given through the electronic testing platform.

February 24, 2025

Any event with a 2nd round presentation will be required to digitally upload per the ILC guidelines by the Jan 31st deadline to allow for pre-judging. Then will have on-site presentations for the

All Test only events will be held on-site using the scantron system to mimic the student experience at ILC. ** Will require #2 pencils and no electronic devices
